Define the resources provided with the plan, and policy on the resource usage.

Overuse policy

☐ Overuse is not allowed

Disallow overuse of resources. A subscription is automatically suspended if the resource usage exceeds the limit values.

☒ Overuse of disk space and traffic is allowed

Allow overuse of disk space and traffic. Disallow overuse of other resources.

☐ Notify me by email in cases of overuse.

☐ Overuse is allowed (not recommended)

Allow customers to use more resources than initially provided by the plan.

☐ Notify me by email in cases of overuse.

Define the resources provided with the plan.

Show more available resources

Define the resources provided with the plan.

Disk space ☐ Unlimited

Notify when disk space usage reaches
